Animate Your Name

The example project can be viewed at scratch.mit.edu/projects/113753069

This handout is intended to be used as a supplement to a lesson written by Cleopatra and The Sphinx. Please watch your teacher's demonstration for full instructions (and remember to ask questions)!

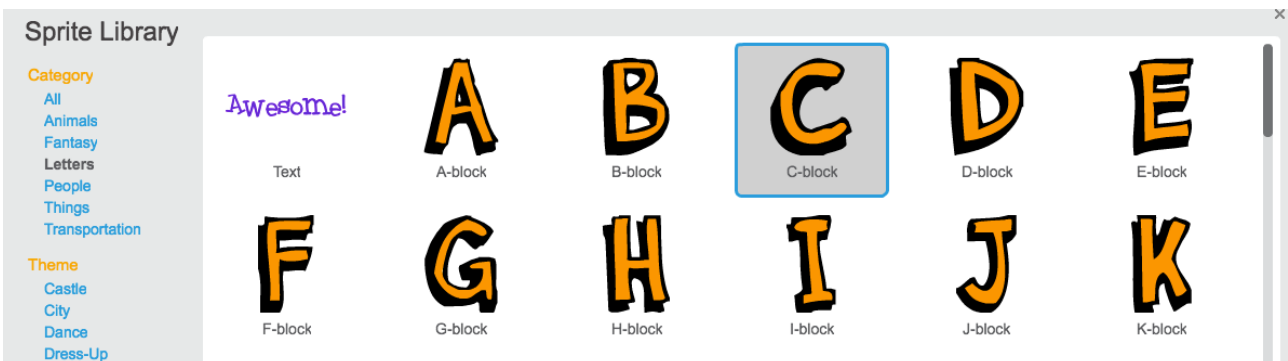

Step 1

To create this project, go to scratch.mit.edu

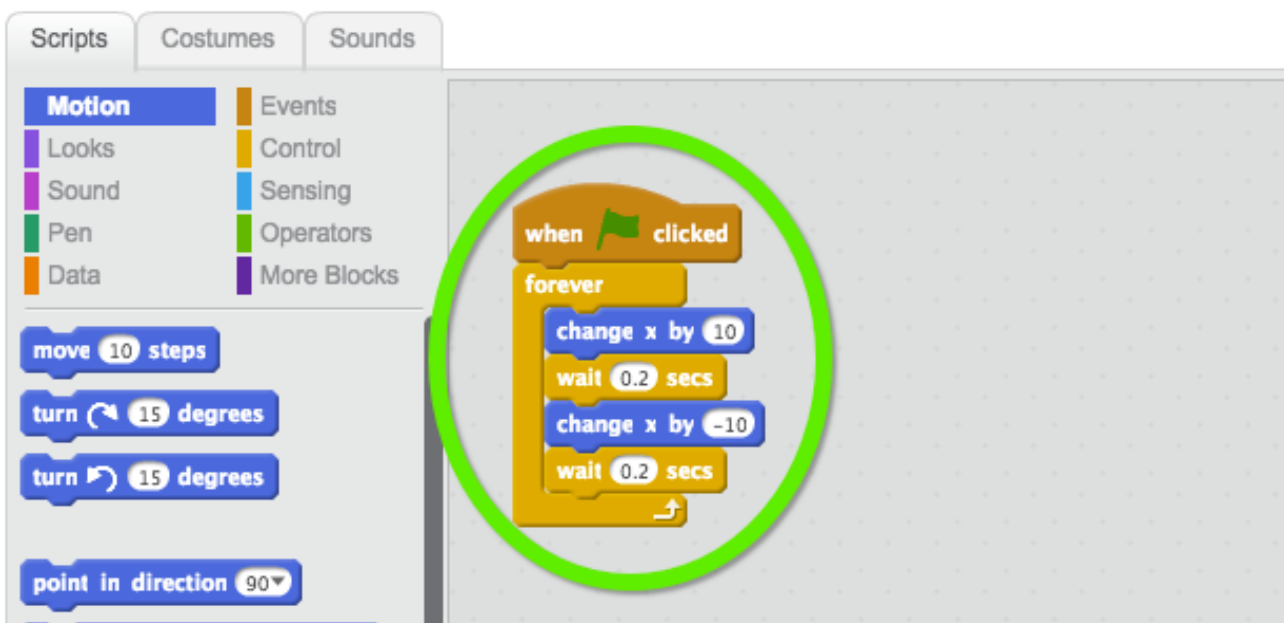

Step 2

Add a "sprite" that is the first letter of your name or initials

Step 3

Add some code to animate your letter

Animate Your Name

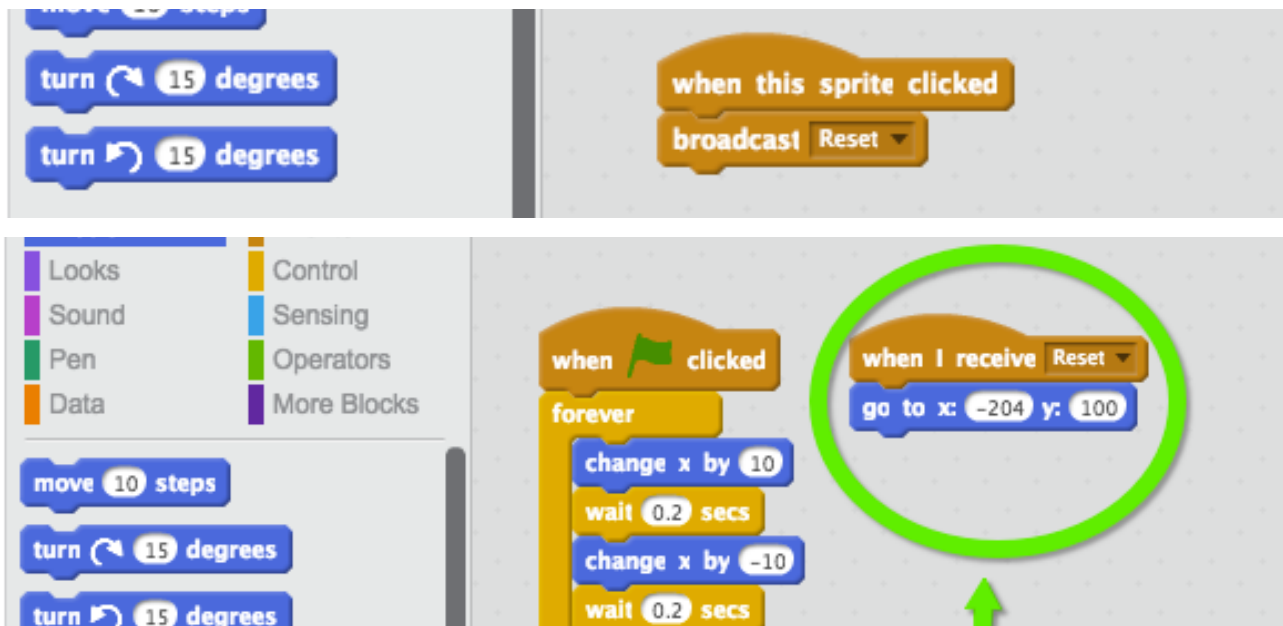

Step 4

Create a reset button by adding another sprite (any sprite will do!)

Step 5

Add the code to perform a reset (your teacher will demonstrate how to do this)

Step 6

Repeat with the other letters in your name or initials

Remember to experiment with different types of blocks to see what different effects you can create!
